

Registration 7th SRA-E Benelux Conference – 31st October 2023

- Click to the registration link you received by email or go to the conference website (<https://sraeurope.eu/7th-sra-e-benelux-meeting-brussels-belgium>) and click on “Register here”:

The screenshot shows the website header with the SRA-Europe logo (Society for Risk Analysis) and navigation links: ABOUT, CONFERENCES, CHAPTERS, NEWS, CONTACT, and a LOGIN button. Below the header, the page title is "SRA-E BENELUX CHAPTER" with a "Select Content" menu icon. The main heading is "7th SRA-E Benelux meeting, Brussels, Belgium" with a "Share" icon. The text describes the 7th annual conference: "Dealing with the uncertain: From risk to resilience" on October 31st 2023 at KU Leuven Brussels Campus. A "Register here" button is circled in red, along with the text "or through this link." Below this are links for the "Preliminary program" and a keynote by Prof. Dr. Neelke Doorn on "Responsibility arrangements for resilience: An ethical exploration".

- Once you are on the registration page, click on “Login for externals” and then “I don’t have an account”:

The screenshot shows the KU Leuven login page. At the top, there is a blue header with "KU LEUVEN" and language options "NL EN". Below the header, the text "Login OneButton" is displayed. There are two main login options: "Associatie KU Leuven Login" with a key icon and a "Login" button, and "Login for Externals" with a checkmark icon. In the "Login for Externals" section, the "I don't have an account" button is circled in red. At the bottom, there is a footer with "KU LEUVEN", copyright information "2023 © KU Leuven", links for "Disclaimer" and "Cookiebeleid", and social media icons for Facebook, Twitter, Instagram, LinkedIn, and YouTube.

7th SRA-E Benelux meeting, Brussels, Belgium

Destabilizing forces such as natural resource depletion, wars, public health threats, climate and energy crises, can generate far-reaching consequences. Due to the complex and interconnected nature of these societal challenges, limitations to traditional forms of risk governance exist. In order to more effectively deal with known and unknown risks, there is a need for multi-actor and cross-sectora ... [Read more](#)
